SUBJECT: Procedures for Requesting, Shipping, and Storing of Materials for the Spring 2021 Administration of the New York State Grades 3-8 English Language Arts and Mathematics Tests and Information on Computer-Based Testing for Spring 2021

This memorandum provides information concerning Grades 3-8 English Language Arts and Mathematics testing program and procedures for requesting, shipping, and storing materials for the Spring 2021 Grades 3-8 English Language Arts (ELA) and Mathematics Tests.

As the 2020-21 school year gets underway, NYSED and the Board of Regents continue to make our primary focus the physical and mental health, safety, and well-being of the children and adults in our schools. We continue to be mindful of the many uncertainties faced statewide and nationally, and we will continuously monitor the situation and provide updated guidance, as the situation requires.

This will include NYSED and the Board of Regents closely monitoring the feasibility and fairness of administering the Grades 3-8 English Language Arts and Mathematics Tests next spring. At this time, no final decision regarding the 2021 Grades 3-8 English Language Arts and Mathematics Tests has been made. Keeping this in mind, we are sharing the following information as a means to prepare should it be deemed feasible to proceed with the Spring 2021 test administrations in person in schools throughout the State.

This [memorandum](#) and all information in subsequent e-mailings pertaining to these tests, will be available [online](#). Important telephone and fax numbers for the Office of State Assessment (OSA) are listed on page 8 of this memorandum.
