2020 CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY (CARES) ACT: ADMINISTRATION OF GOVERNOR'S EMERGENCY EDUCATION RELIEF (GEER) FUNDS AND ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF (ESSER) FUNDS

New York State Education Department

Office of ESSA-Funded Programs

JULY 2020

In general, the activities described above in Question #6 are allowable for participating non-publics.

8. What is a “non-public school” under the CARES Act programs?

   For both GEER and ESSER, a “non-public school” means a non-public elementary or secondary school that (A) is accredited, licensed, or otherwise operates in accordance with State law; and (B) was in existence prior to the date of the qualifying emergency for the CARES Act pcco purposheof t iso date-3(of the)-2((quale)5fy(ing mc)-2(r(gecy(is)]TJETQq0.0000

21. What is the Elementary and Secondary School Emergency Relief Fund?

    Under the Elementary and Secondary School Emergency Relief Fund (ESSER Fund), the United States Education Department (USDE) awards grants to State educational agencies (SEAs) for the purpose of providing local educational agencies (LEAs), including charter schools that are LEAs, with emergency relief funds to address the impact of Novel Coronavirus Disease 2019 (COVID-19) on elementary and secondary schools across the nation. LEAs must provide equitable services to students and teachers in non-public schools as required under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

22. Which LEAs are eligible for ESSER funding?

    All LEAs, including charter schools and Special Act School Districts, that received 2019-20 Title I, Part A subgrants are eligible to receive ESSER Funding.

23. How is an LEA's allocation determined?

    As required by the CARES Act, an LEA's ESSER allocation was determined as a proportionate share based on the 19-20 Title I, Part A funds.

24. What is the funding period for ESSER Funds?

    The funding period for ESSER funds is from March 13, 2020 to September 30, 2022. LEAs must obligate GEER funds by September 30, 2022 and must liquidate GEER funds by October 30, 2022.

25. If an LEA did <u>not</u> receive an FY 2019 Title I, Part A subgrant for school year 2019-2020, is it eligible to receive ESSER formula funds?

    No, pursuant to guidance issued by the U.S. Department of Education, in general, an LEA is not eligible to receive ESSER formula funds if they did not receive a FY 2019 Title I, Part A subgrant. This applies to LEAs that did not generate a Title I, Part A allocation or declined their allocation in 2019-20. There are two exceptions: 1) If the LEA is a new charter school that did not exist in the 2019-2020 school year; or 2) if a charter school LEA that was previously established significantly expanded during the 19-20 school year and therefore its larger student population makes it eligible for Title I, Part A funds in the 2020-2021 school year.

26. What are the allowable uses of ESSER funds by LEAs?

    An LEA may use ESSER funds for any of the following activities:

1. Any activity authorized by the ESEA of 1965, including the Native Hawaiian Education Act and the Alaska Native Educational Equity, Support, and Assistance Act (20 U.S.C. 6301 et seq.), the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.) ("IDEA"), the Adult Education and Family Literacy Act (20 U.S.C. 1400 et seq.), the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 et seq.) ("the Perkins Act"), or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.).
2. Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial puwaqi0c,0.00

36. May an LEA reserve funds for administrative costs?

    Yes. An LEA may charge direct costs that are reasonable and necessary for the administration of the ESSER funds. Keep in mind that all salaries paid for with ESSER funds must be supported by time and effort documentation required by the Federal Uniform Grant Guidance (2 CFR 200.430).

37. Is there any difference in the amount of ESSER funds, or allowable uses of ESSER funds, for a school that implements a schoolwide program under Title I, Part A as compared to a school that provides targeted support under Title I, Part A?

    No. The Title I, Part A requirements related to Schoolwide Programs and Targeted Assistance programs do not apply to ESSER funds.

38. Is an LEA that receives ESSER funds required to set-aside funds for any reason?

    No. Unlike Title I, Part A requirements to set-aside funds for students experiencing homelessness, neglected youth and parent and family engagement, there are no required set-asides required of ESSER funds. However, LEAs are required to equitably share funds for services with participating non-public schools.

39. Should LEAs anticipate monitoring or auditing of ESSER funds?

    Yes. NYSED will monitor the use of ESSER funds. In addition, ESSER funds are subject to audit requirements under the Single Audit Act.

CARES ACT: TITLE VII STAFF FROM AND TO PUBLIC AND NON-PUBLIC SCHOOLS

BACKGROUND AND

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) requires that a local educational agency (LEA) receiving funds under sections 18002: The Governors Emergency Education Relief Fund (GEER) 18003: Elementary and Secondary School Emergency Relief (ESSER) of the CARES Act shall provide equitable services to non-public schools.

On July 1, 2020, the U.S. Department of Education published in the Federal Register an Interim Final Rule (IFR) which outlines how LEAs are to calculate the amount of ESSER and GEER funds available for providing equitable services to students and teachers in non-public schools. The IFR was effective immediately upon publication, and NYSED intends to comply with the IFR. The IFR provides two options for LEAs to choose from as they move forward with the implementation of CARES Act (ESSER and GEER) funding.

Section 18005 of the CARES Act requires that LEAs consult with appropriate private school officials from any private school located within the district geographic attendance area regarding any use of funds as defined under section 18002 or 18003.

Private schools may not use CARES Act funds to pay staff salaries directly. The control of funds for the services and assistance provided to a non-public school under section 18005 (a) of the CARES Act, and title to materials, equipment, and property purchased with such funds, shall be in a public agency, and a public agency shall administer such funds, materials, equipment, and property and shall provide such services (or may contract for the provision of such services with a public or private entity). All services and benefits must be secular, neutral, and nonideological.

ESSER and GEER funds available for providing equitable services to students and teachers in non-public schools. The IFR was effective immediately upon publication, and NYSED intends to comply with the IFR.

The IFR provides two options for LEAs to choose from as they move forward with the implementation of CARES Act (ESSER and GEER) funding:

1. Proportional: Under the IFR, if an LEA chooses to use CARES Act funding for students in all its public schools, it must calculate the funds for equitable services based on the proportionate number of students enrolled in private schools in the district.

2. Low-Income: If an LEA chooses to use CARES Act funding only for students in its Title I schools, it has two options:

    a) Calculate the funds for equitable services based on the total number of low-income students in Title I and participating private schools; or
    b) Calculate the funds for e T X L W D E O H V H U Y L F H V X V L Q J W K H / ($ ¶ V from the 2019-2020 school year.

Under the IFR, LEAs are required to equitably share GEER and ESSER funds for services with in-district non-public schools, even if the non-public school has not previously participated under Title I, Part A or Title VIII of the ESEA.

Control of funds for services and assistance provided to non-public school students and teachers under the CARES Act programs, and title to materials, equipment and property purchased with such funds, must be in a public agency, and a public agency must administer such funds, materials, equipment, and property. No funds may go directly to a non-public school, even for reimbursement purposes. LEAs must submit a completed CARES Act: Written Affirmation of LEA Consultation with Private School Officials form with their CARES Act Combined Funding Application (see Attachment III).

Thank you for everything you are doing for your students in these unprecedented circumstances. Please direct questions to the Office of ESSA-Funded Programs at (518) 473-0295 or via e-mail at CARESAct@nysed.gov.
