SUBJECT: Spring 2021 Grades 3–8 English Language Arts and Mathematics Tests

This memorandum provides you with essential information regarding the Spring 2021 Grades 3–8 English Language Arts (ELA) and Mathematics Tests. Please also see the note regarding the Spring 2021 Grades 4 and 8 Science Tests on page 6.

The New York State Education Department (NYSED) and the Board of Regents continue to make our primary focus the physical and mental health, safety, and well-being of the children and adults in our schools. NYSED and the Board of Regents have been closely monitoring the feasibility and fairness of administering the Grades 3–8 ELA and Mathematics Tests this spring. On February 12, 2021, NYSED submitted a formal request to the United States Department of Education (USDE) to waive

administer the tests to students, whether the testing is paper based or computer based. Additional flexibility that will be available to schools for the Spring 2021 administration of these tests is as follows:

- x Schools are not expected to bring students into the building to participate in the tests if the students are receiving entirely remote instruction during the testing windows. However, to assist in scheduling, NYSED suggests that schools consider contacting parents of students receiving entirely remote instruction to advise them of the testing windows. This is not a requirement.

- x Check the safe or vault daily to ensure that the test materials stored there have not been tampered with and remain secure.
- x

right to collect and hold any prohibited electronic devices prior to the start of the test administration. Admission to the test shall be denied to any student who is in possession of a cell phone or other prohibited electronic device and refuses to relinquish it.

Destruction of Secure Test Materials for the 2021 Grades 3–8 ELA and Mathematics Tests

Securely Destroy Upon Completion of Test Administration (for CBT only)	Store Securely in School or District for One Year, then Securely Destroy
