# Purpose of the Grant

The logo for the New York State Education Department features a stylized black silhouette of the state of New York on the left. To the right of the silhouette, the text "New York State" is written in a serif font, and "EDUCATION DEPARTMENT" is written in a bold, sans-serif font below it.

New York State  
EDUCATION DEPARTMENT

The purpose of this grant is to develop, implement, and share innovative programs that provide professional development and support to increase expertise in computer science, engineering, and/or educational technology among teachers in grades K-8.

# Smart Start Vision

Smart Start programs – including component activities, materials and professional development resources - will support the mission of the NYS Board of Regents, which is to ensure that every child has equitable access to the highest quality educational opportunities, services and supports in schools that provide effective instruction aligned to the state's standards, as well as positive learning environments so that each child is prepared for success in college, career, and citizenship.

# Grant Period

- The grant period is anticipated to be five years, from July 1, 2020 to June 30, 2025.
- A budget for Year One (7/1/20 to 6/30/21) must be submitted with this application, together with a five-year budget narrative.

# Funding

- \$6,000,000 will be allocated annually.
-

# Eligible Applicants

- Public school districts and consortia of districts or district(s) and BOCES are eligible to apply.
- Charter Schools, Religious and Independent Schools, Institutions of Higher Education, and 503(c) Corporations are not eligible to apply.

# Program Goal 1

Implementation of fully-developed programs that provide professional development and support to increase expertise in computer

# Program Goal 2

The publishing and sharing of the state-funded programs, including any and all materials and artifacts\* produced over the course of the grant, so that other NYS districts can freely use, copy, adapt, and implement similar programs.

Programs will be published on the applicant's website.

# Partnership Requirements

## Professional Development and Support

- Professional development and support must be provided by qualified non-profit organizations or institutions of higher education.
- Grant applications should include information on the organization(s) that have agreed to provide professional development and support if the grant application is successful.

# Partnership Requirements

## Professional Development and Support

Non-profit partners and/or institutions of higher education must be (or must have applied to be by the deadline of this RFP) [NYSED-approved Continuing Teacher and Leader Education \(CTLE\) sponsors](#).

# Partnership Requirements

## Regional Economic Development Council

Applicants receiving Smart Start Grants must partner with their respective regional economic development council to tailor the program to regional business or future employer needs.

# Partnership Requirements

## Regional Economic Development Council

Grant applications should include a description of how the district or consortia has and will continue to partner with their Regional Economic Development Council, and how the proposed program will address current and/or future regional business and employer needs.

# Scope of Work

## Implementation of Professional Development and Support Program

- Districts/Consortia will implement a Program, as described in the grant application, for teachers in grades K-8, that provides professional development (PD) and support to increase teacher and, if appropriate, administrator expertise in computer science, engineering, and/or educational technology.
- The goal of the program is to create a cadre of educators who will serve as experts in the applicant's school(s) and district(s) and can then provide turnkey training and support for colleagues.

# Scope of Work

## Implementation of Professional Development and Support Program

- Programs must be tailored to regional business or future employer needs.
- Applicants must work with their Regional Economic Development Council to develop a program that targets current and/or projected future regional workforce needs.

# Scope of Work

## Implementation of Professional Development and Support Program

- Professional development on computer science and educational technology must be clearly aligned to the NYS K-12 Computer Science and Digital Fluency Learning Standards, expected to be adopted January 2020.
- Programs should have a strong technology component that promotes digital literacy of both teachers and students and facilitates the effective use of technology for teaching and learning.

# Scope of Work

Programs should incorporate strategies for increasing participation in computer science, engineering, and/or educational technology, by one or more traditionally under-represented groups, such as:

- Female students
- Students with differing abilities (students with disabilities)
- 

# Scope of Work

## Implementation of Professional Development and Support Program

- Programs must structure professional development and support into one-year cycles.
- Programs should be structured to train the highest number of teachers in the highest number of schools, while still adhering to best practices for adult learning and professional development.

# Scope of Work

## Implementation of Professional Development and Support Program

- Teachers, and if applicable, administrators, will receive training and support for one year only.
- The next year of the grant, and each subsequent year, a new set of teachers will receive training and support.
- Individual teachers will not receive professional development and support for more than one year through Smart Start Grant funds.

# Scope of Work

## Expectations of Professional Development and Support Providers

- Professional development and support must be provided by qualified non-profit organizations or institutions of higher education.
- Non-profit organizations and/or institutions of higher education should be or have applied to be NYSED-approved CTLE sponsors.

# Scope of Work

## Expectations of Support Activities/Services

To maximize effectiveness of professional development experiences and programs, Professional Development and Support Providers (PDSPs) will provide educators with support in multiple ways, including but not limited to:

- Professional Learning Communities (PLCs)
- Online collaborative spaces (as allowed by district Authorized Use Policies (AUPs))
- Collaborative planning sessions
- Coaching/mentoring
- Curriculum planning and/or mapping, etc.

# Scope of Work

## Expectations of Support Activities/Services

Support services may also include the provision of classroom resources and materials that promote hands-on learning opportunities for students. PDSPs are expected to tailor Support Activities/Services to meet the needs of the teachers, students, school(s), and region(s).

# Scope of Work

## Sharing of Professional Development and Support Program

In order to leverage maximum use of the Smart Start grant, NYSED shall own all materials, processes, and products produced for, modified for, or utilized in activities funded through Smart Start Grant funds.

# Scope of Work

## Publishing Artifacts on Smart Start Web Pages

By two (2) months after the close of each program year:

- Outline of year's activities in a format that would be easily understandable (and therefore replicable) by another registered New York State school or district.
- All artifacts created, modified, or utilized during that year, in a downloadable and editable format.
- All artifacts created with funds from the Smart Start Grant and owned directly by NYSED be published under the Creative Commons Attribution Non-Commercial Share-Alike license.

# Scope of Work

## Project Evaluation

- 

# Program Models

Programs should be structured to train the highest number of teachers in the highest number of schools, while still adhering to best practices for adult learning and professional development. This can be achieved through models such as:

- **Cohort Model:** In this model, the program would be structured to train a number of teachers per year.
- **Train-the-Trainer Model:** In this model, the program would focus on training a strategically focused number of teachers in Year One to be trainers.
- Other innovative models will be accepted as long as they meet the requirements.

# Funding and Awards

**\$6 Million** will be allocated annually.

- Applicants will apply for funding in one of the two categories
- Large Scale Grant: Up to \$500,000/year
- Focused Grant: Up to \$250,000/year

## Preference

- Preference, in the form of bonus points, shall be given to applicants whose proposals include participation of one or more **districts** that qualify as High Needs.

# Budget Guidance

- The amounts shown on the FS-10 Budget Form, Budget Summary Form (at the end of the FS-10) and the Budget Narrative Form (Attachment III) should correspond.
- The FS-10 should bear the original signature of the Chief School/Administrative Officer.
- The FS-10 and Budget Summary should outline expenditures for Year 1 only. The Budget Narrative should cover all five (5) years of the grant program, assuming full award amounts for all years.
- \*\*\* Please note that the awards for Years 2-5, assuming funding, will be the same as Year 1 awards, even if the Budget Narrative includes higher annual budgets for Years 2-5.

# Spending Caps

## **Applicants must adhere to the following:**

- No more than twenty percent (20%) of the funds may be used for purchase of Equipment and Supplies and Materials. The combined budget request of both categories must not exceed 20% of total requested award.
- Only equipment items with a unit cost that equals or exceeds \$5,000 should be included under Equipment (Code 20).
- Equipment items under \$5,000 should be included under Supplies and Materials (Code 45).

# Spending Caps

- Subscriptions for digital content or the use of online courses will be considered Purchased Services (Code 40), not Supplies and Materials

- **Full Participation** - This is the preferred method of compliance. Full participation is achieved when an applicant meets or exceeds the participation goals for this grant.
- **Partial Participation, Partial Request for Waiver** - This is acceptable only if good faith efforts to achieve full participation

# Proposal Narrative Scoring

## Points

- Overview 0
- Identification of Need and Program Rational 5
- Program Design 10
- Collaboration with REDC 5
- Program Activities 15
- Expertise of PDSP 45
- Budget: FS-10 Budget Summary and Budget Narrative 20

# Expertise of Professional Development and Support Partners

- It is *critical* that applicants thoroughly vet Professional Development and Support Providers (PDSPs).
- Applicants should partner with an organization that has a proven track record for providing high-quality professional development and support services to K-8 teachers to meet the needs of all students, including English Language Learners/Multilingual Learners and Students with Disabilities.

- If an applicant wishes to partner with more than one PDSP, the applicant is responsible for completing Section F for all chosen PDSPs.
- Please note that in such a case, the Applicant's score for Section F will be the lowest of the scores for the included "Section Fs," not the average.
-

# Expertise of Professional Development and Support Partners

- It is the expectation that the applicant will check references provided by the PDSP to confirm the validity of the data and evidence of ability to provide professional development and support services provided by the PDSP.
- It is the expectation that the applicant will ensure PDSP adherence to requirements in this RFP around ownership and/or licensing and publishing of materials, processes, and procedures as outlined in the Scope of Work Section: 3. Sharing of Professional Development and Support Program.

# PDSP Professional Development Expertise

Provide detailed information on how the chosen PDSP will provide professional development, support services, and/or materials that:

- Will expand educators' content knowledge and the knowledge and skills necessary to provide developmentally appropriate instructional strategies and assess student progress;
- Are research-based and provide educators with opportunities to analyze, apply, and engage in research;

Provide detailed information on how the chosen PDSP will provide professional development, support services, and/or materials that are designed to ensure that educators:

-

Provide detailed information on how the chosen PDSP will provide professional development, support services, and/or materials that:

- Use disaggregated student data and other evidence of student learning to determine PD learning needs and priorities, monitor student progress, and to help sustain continuous professional growth;
- Promote technological literacy and facilitate the effective use of all appropriate technology; and
-

The qualifications of PDSPs and their prior or current experience in, or in a setting similar to, NYS schools and districts, are of great importance to NYSED.

- Provide three (3) professional letters of reference to substantiate qualifications of your chosen PDSP.
- Letters should be from customers for whom the PDSP has successfully provided goods and services comparable, in scale and scope, to the proposed Deliverables, in NYS school/district or similar setting, all within the past five (5) years.
- The APc116.86 183.too230 Tfive (5) years.

# Guidance Regarding Letters of Recommendation

- Letters should be from customers for whom the PDSP has successfully provided goods and services comparable, in scale and scope, to the proposed Deliverables, in NYS school/district or similar setting, all within the past five (5) years.
- Please note that Applicants will be required to explain how the chosen PDSP's costs are appropriate, reasonable, and necessary in

# Application Review and Scoring

Applicants will be scored on the basis of 100 possible points from reviewers, plus bonus points, if applicable.

- All proposals will be reviewed by two reviewers and the scores will be averaged. If there is a score discrepancy greater than 15 points, the proposal will be read by a third reviewer.
- The two closest scores will be used and averaged unless the third reviewer score is equidistant from the others, in which case the third reviewer score will be solely used.
- Only those proposals that receive a total score of 60 or higher, excluding bonus points, on the application will be eligible for funding.
