

NYS Seal of Biliteracy

Long Island Region 2020-21

The intent of the NYSSB is to:

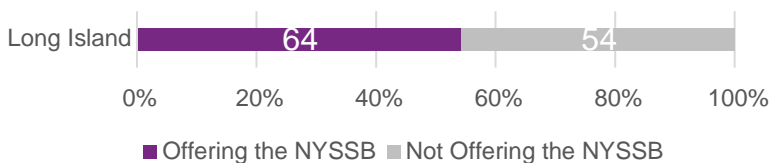

- affirm the value of diversity in a multilingual society;
- encourage the study of languages;
- identify high school graduates with multilingual skills for advanced language instruction in schools.

The NYSSB carries the highest weight on a school's "Readiness Measure" in comparison with the NYS Regents Diploma with Advanced Placement and International Baccalaureate exams. This also includes current ELLs not in the graduation cohort earning the NYSSB and a Regents Diploma.

54.2 % of district schools in the Long Island region offered the NYSSB in 2020-21.
